*Referring to 2014 Inductee profile chart (Appendix A)--Trish reviewed the status of the 2014 Inductee profiles.*

*The updated chart (Appendix A update) includes a star \* to note the areas that were not checked off but where the author indicated that they may still have information or can readily access that information to include in the profiles.*

*\*Trish noted the importance of naming/tagging photos in a similar manner*

*eg. Trish Campbell followed by event or action or achievement (helping to utilize the power of the search component of the website)*

***Action: All profiles should be updated as outlined by Sept. 6<sup>th</sup>***

***Trish will follow up with an email reminder in mid August***

***Anyone unsure re uploading their information was asked to forward that information or your concerns to either Trish or Larry.***

**6. Elmvale Angels Heritage Development**

*Those present who had read the website Heritage outline on the topic of the Elmvale Angels expressed very positive responses re the quantity and quality of this project.*

*Trish, its lead author, referred to it as a "Work in Progress"; more to tweak; more to add; more hot buttons to incorporate.*

*It was developed as a template that could be used as a sample for other project work (large or small). (The ability to take a project and build it out using this template)*

**7. New Business/ Action from Minutes 2016, 02,04**

- Trish was approved as chairperson of Heritage Committee by Board
- Website Training sessions have been ongoing; enhancements to the site continue
- No changes were required for the "Terms of Reference" for this committee
- Arena TV - getting new Patrons and Inductees ready for display after Sept 30<sup>th</sup> Induction
- Trish's intent to report on one Active Elite each month will start in the fall
- Mike Townes noted that he has "write-ups" re various athletes and teams that he has composed over the years. Trish noted that she would act as "gatekeeper" and asked Mike to forward those Heritage items to her; she would decide if they should go in the Blog or directly into the Heritage area of the website
